PREAMBLE

On May 20, 1997, the Ontario Labour Relations Board (File No. 4346-96-R) recognized that: “all employees of the University of Ottawa, in the Regional Municipality of Ottawa-Carleton, employed as Teaching Assistants, Tutors, Demonstrators, Markers, Research Assistants, Proctors and Lab Monitors, save and except any person for whom a trade union held bargaining rights on the date of the application,” constitute a unit of employees of the responding party appropriate for collective bargaining.¹

Following this decision, the Canadian Union of Public Employees and its Local 2626 was recognized as the only bargaining agent for the Teaching Assistants, Tutors, Demonstrators, Markers, Research Assistants, Proctors and Lab Monitors at the University of Ottawa, ensuring the representation of its members on issues related to work conditions with the Employer (the University of Ottawa).

On February 28, 2008, the Ontario Labour Relations Board (File No. 3374-07-R) recognized that: “all employees of Université d’Ottawa/University of Ottawa in the city of Ottawa employed as life guards, head guards and swim instructors, save and except supervisors, persons above the rank of supervisor and employees in bargaining units for whom any trade union held bargaining rights as of January 31, 2008”, constitutes a unit of employees of the responding party appropriate for collective bargaining.

On March 4, 2009, the members of CUPE 2626 at the General Assembly passed the following motion: “That the AGA ratifies the inclusion of lifeguards as a subunit of 2626-2 as approved at the Special Stewards Council Meeting held on April 7, 2008, and that the Executive committee works to integrate them.”

As a consequence of the abolition of the sub-group 2626-1 of soft-funded research bursary holders through bargaining the Collective Agreement in 2010, the lifeguards unit 2626-2 became unit 2626-1.

The present Local of the Canadian Union of Public Employees was formed in order to work towards improving the social and economic welfare of its members and to show its faith in the unity of the labour movement.

¹ CLARITY NOTE: The parties agree and understand that it is a condition of employment for all employees in the bargaining unit that they be students registered at the University of Ottawa. The parties further agree that work performed under the existing Work-Study Program is excluded from the bargaining unit.

OBJECTIVES

Recognizing the needs of its members, their rights and their privileges, the Canadian Union of Public Employees and its Local 2626 as well as CUPE 2626-1 adopted the following objectives:

1. To protect, maintain and promote the interests of the members of the Local;
2. To resolve conflicts between the Employees and the Employer through collective bargaining and consultations;
3. To maintain the salaries and work conditions of its members at a just level in respect to their qualifications, to work towards the advancement of the social and economic welfare of its members and to elaborate and maintain professional norms of competence;
4. To act as an agent on behalf of its members with all external agencies which are responsible for questions related to post-secondary education or which have an interest in those;
5. To support the Canadian Union of Public Employees in the pursuit of the objectives mentioned in Article II of the Constitution of the Canadian Union of Public Employees; to give its members the opportunity to influence and to give a direction to their future by taking part in free democratic unionism;
6. To undertake all necessary and/or appropriate actions to ensure advancement of the labour movement as a whole;
7. To encourage the resolution, through negotiation and mediation, of all conflicts between the employees and the employer;

This notice should be emailed to members, and also distributed through whatever other means the Executive Board deems appropriate, including postings on campus billboards, advertising in campus newspapers, and sharing via social media.

5.4. REGULAR GENERAL ASSEMBLY (RGA)

5.4.1.1. A RGA must be held at least once between September 1st and December 15th of each year.

5.4.1.2. The goal of a RGA is, among other things, to deal with certain important issues; to elect by interim, if necessary, members to fill vacant positions; to give, if necessary, mandates to various committees of CUPE 2626; to evaluate the situation of CUPE 2626; and to give members of CUPE 2626 a chance to express their concerns and their recommendations.

5.4.1.3. If quorum is not reached at an RGA, the meeting shall be converted into a special Stewards' Council meeting. This special Stewards' Council will have as its agenda the business of the RGA. 5.4.3. PUBLICITY FOR A RGA

A written notice with the date, time, location and Agenda of the RGA must be well publicized for at least fourteen (14) days prior to the RGA. It must also mention the nomination period for all positions that will be elected and specify the procedure to follow to nominate a member to one of the positions. This notice should be emailed to members, and also distributed through whatever other means the Executive Board deems appropriate, including postings on campus billboards, advertising in campus newspapers, and sharing via social media.

5.5. SPECIAL GENERAL ASSEMBLY (SGA)

5.5.1. PROCEDURES

5.5.1.1. TYPES OF SPECIAL GENERAL ASSEMBLIES

There are three types of SGAs:

- a. Type I SGA (for all members in good standing of CUPE 2626);

- c. Type III SGA (for all regular members in good standing of CUPE 2626-1).

5.5.1.2. Any of these SGAs can be called at any time by the President of CUPE 2626 or by a three-quarter (3/4) majority vote of the Executive Board. Subject to Article 6.3.3.2, the Stewards' Council can call a SGA by a three-quarter (3/4) majority vote of its members. Subject to Article 5.5.3, a SGA can also be called by petition to that effect from the membership of CUPE 2626.

5.5.1.3. The goal of a SGA is to deal with certain issues which are deemed important and which require a rapid decision or which can only be resolved by holding a GA.

5.5.2. PUBLICITY FOR A SGA

5.5.2.1. The publicity required to call a SGA differs from that required for an AGA or a RGA. Because the time allotted to the organization of a SGA is determined by the emergency and the seriousness of the issues with which the local has to deal with, the Executive Board will take the necessary measures to ensure that the greatest number of members is informed of the date, time, location and Agenda of the SGA.

5.5.2.2. A written notice with the date, time, location, and Agenda of the RGA must be well publicized at least twenty-four (24) hours prior to the SGA, and distributed to the membership through whatever means feasible.

5.5.3. SPECIAL GENERAL ASSEMBLY (SGA) BY PETITION

5.5.3.1. Members in good standing of CUPE 2626 can, if they deem necessary, undertake the required procedure to call a type I SGA; the regular members in good standing of CUPE 2626, a type II SGA; the regular members in good standing of CUPE 2626-1, a type III SGA.

5.5.3.2. Each page of the petition must include the following items:

- a. The date on which the petition was started;
- b. The type of SGA by petition requested;

When no candidate obtains a majority, the candidate receiving the fewest votes will be dropped and a second ballot taken. The process will continue until one candidate has obtained a majority. When more than one office is to be filled on one ballot, a candidate must obtain a majority to be declared elected. The procedure to follow will be the same as that stipulated in sections C.1, C.2, C.3 and C.4 of the present Appendix. Should an insufficient number of stewards be present, or should there be no qualified candidates for a position, the procedures for vacancies outlined in 11.3 will be followed.

C.6.2. The newly elected officers will remain in office until the next GA at which a by-election will be held, as per articles 11.3.4 and 11.3.5.
